Alert Center

Get Account Notifications

The Forrit CU Online Banking system allows you to set up alerts for your accounts. Keep up-to-date on your finances using these handy account alerts.

You can have a text message or an email sent to you when your loan payment is due, when your balance falls below a certain threshold, if there was a deposit made to your account, and much more!

NOTE: You will need to be registered for Online Banking to use Alert Center. See the "GET STARTED GUIDE: Online Banking" for details on registering for Online Banking in just a few steps.

1. To set up alerts, visit forritcu.org and log into Online Banking using your username and password.
2. Once logged in, navigate to "Account Information" in the main menu and click on "Text Banking & Alerts".
3. To add alerts, click on "Add an alert" and select the alert you would like from the drop down menu.
4. To edit an alert, hover over to the alert and click on "More Options" next to an alert to edit details, such as delivery options, frequency, etc.

Your alerts are ready to go!
You can set up as many alerts as you'd like.
