

# Annual Report 2022

# Mission

Forward Together.

Each member.

Each moment.

# Values

# Creativity

Small gets it done. We're a tiny package with lots of attitude.

# **Authenticity**

You be you. We'll be us. Let's all do our thing.

# **Simplicity**

We make it easy to do business with us.

# **Empowerment**

Great things are possible. And together, we can make them happen.

# **Diversity**

We lead with what we believe. Fairness, equality, sustainability, and doing what's right.

Forrit Credit Union's Mission is Forward Together. Each Member. Each Moment. We view every moment as an opportunity to grow, and we won't stop making tomorrow a better place for our members. Our efforts over the last year, and our focus as we head into the future, show that we are more committed than ever to living this Mission every day.

### **HOW WE GOT HERE**

In the late spring of 2022, we opened the Reedville Crossing Branch in Hillsboro, Oregon and have doubled our staff in order to better serve our members. The Reedville Crossing Branch features 24-hour ATM access, personalized banking, and has convenient access off of TV Highway.

As a credit union, we have a strong commitment to the communities we serve, and we remain committed to our local communities and continue to support local initiatives. In summer of 2022, we adopted Turner Creek Park in Hillsboro, and worked with a group of volunteers to clean up the park and create a safer place for everyone to enjoy. We will continue to work together with our community partners to create a more vibrant community for us all to enjoy.

We are pleased to announce that 2022 was another year of strong capital for Forrit Credit Union. We maintained capital well above the threshold to be considered Well Capitalized by the NCUA. We ended 2022 with a Net Worth capital ratio of 10.37%. This helps us to maintain our status as a safe and sound institution. A 7% Net Worth capital Ratio is required by National Credit Union Administration (NCUA) to be considered a "Well Capitalized" credit union. We are well above the required level to be considered a very healthy credit union.

### WHERE WE GO NOW

As we head into 2024, we'll continue to introduce new products and services to meet the evolving needs of our members. And one of our top initiatives for the coming year is to relocate our Downtown Portland Branch and offer the same convenient access as our Reedville Crossing Branch. Stay tuned for more to come.

As always, the safety and soundness of Forrit Credit Union continue to be the top focus of your Board of Directors. Thank you for your continued support and trust in Forrit Credit Union to be your financial partner.

Bill Kirchner - Board Chair Justin Olson - President/CEO

As Credit Manager, I am happy to report that the Credit Union continues to serve all segments of our membership with their lending needs. I conduct regular reviews of our lending practices and programs to ensure we continually operate within established lending policies and that we adhere to all state and federal lending regulations. I also develop new programs whenever needed to ensure the Credit Union can assist our members financial needs. Additionally, I serve on our Loan Committee, which performs reviews of all loan requests that were not approved by individual loan officers. I perform quarterly reviews of individual loan requests to ensure we continue to meet the needs of our members. Of the 797 loan applications processed in 2022 only 102 or 13% were declined. Our overall loan delinquency continues to remain low at 0.71%. Our 2022 net charge off amount decreased to \$65,073 for the year from \$175,403. Net charge-offs for the year were 0.10% of outstanding loans, which is lower than our peer's ratio of 0.20%. All these number are strong in comparison to our peers and that is a great reflection on our wonderful membership. Thank you for allowing us to serve you with your lending needs.

Justin Olson – Credit Manager

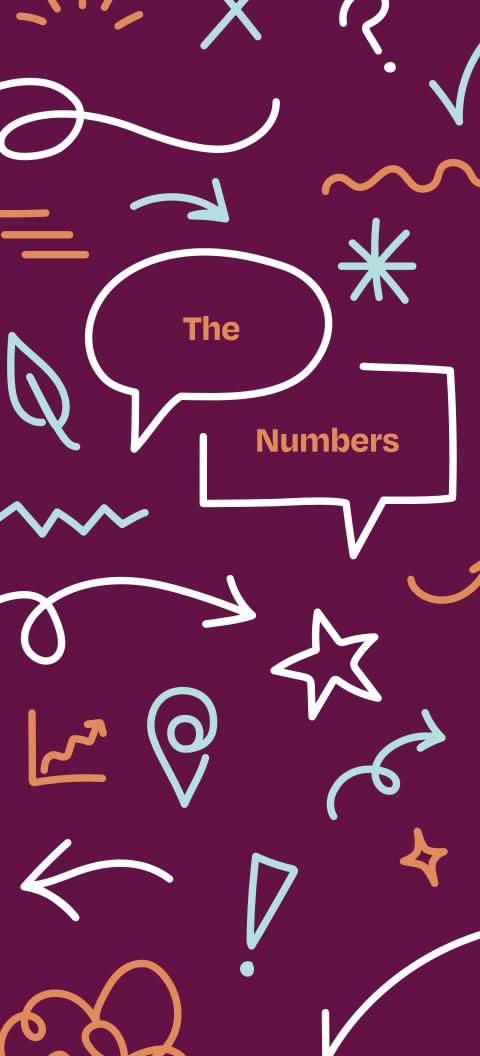

The Supervisory Committee has the responsibility of monitoring the financial soundness and welfare of the Forrit Credit Union. The Committee ensures compliance with regulatory and financial requirements by which the Credit Union is governed and regulated.

The Committee hired an independent audit firm, Daren B. Tanner, P.C., who reports directly to the Committee to complete the agreed upon procedures (AUP) to meet these responsibilities and requirements. Based on the AUP, the Credit Union met all requirements and operates in a sound fiscal manner. The Credit Union was also audited by the State of Oregon and National Credit Union Association (NCUA). Based on the audits the Credit Union continues to operate in a sound fiscal manner.

All five (5) Committee members met the annual Bank Secrecy Act (BSA) training requirements, attended Board meetings virtually on a regular basis, and held five (5) virtual Committee meetings. The Committee continues to review internal audits and controls, and risk management processes. The Committee validates that the Forrit Credit Union operates in a fiscally prudent manner in all aspects of its operation.

Terry M. Smith, Chairman, Supervisory Committee
