

Forrit
CREDIT UNION

88th Annual Meeting

BIO: Board of Directors Elected by Acclamation

Ms. Lorene Bay

Incumbent | Member since 2003

I have had the honor, of being on Forrit Credit Union's Board for the past six years. I was recently elected as the Chair. As a member of the Board I had have the opportunity to be active in many activities. These include: Bite of Reality, Conventions, Credit Union Day at the Oregon Capital, a Music Program at Hagg Lake and representing you. These activities had given me the opportunity to promote Forrit Credit Union, the Credit Union Movement and meet employee of other Credit Unions. I attended the grand opening of our Reedville Branch and made the first deposit, the deposit was for my Grandson. I plan on attending Rockwood and making a deposit for him, as well. Just a FYI the Tooth Fairy now pays \$5.00 a tooth.

I have AA degree from Clackamas Community College and a Bachelor's from Warner Pacific College. I worked for the Internal Revenue Service for over 27 years. The last half of the time was customer service. I helped Taxpayer's resolve their IRS concerns, prepare Tax Returns and answer tax law questions.

I have a daughter, a granddaughter, a son and a grandson, he is on good terms with the Tooth Fairy. I have lived in the Portland area most of my life.

Thank you, for letting me represent you for the past six years and I look forward to the exciting future we will enjoy.

Mr. Bill Kirchner

Incumbent | Member since 1998

Member since 1998 I am excited and honored to be considered for another term with the Forrit Credit Union (CU) Board of Directors (BOD). As the credit union Vice Chair, I believe that credit unions are our best option for a financial partner and for me Forrit CU is my provider of choice. During the previous term, I recognized the essential role volunteers play in the credit union movement and their value to not only the BOD, but also to the Assets/Liability and Supervisory Committees. My fellow volunteers are highly motivated, dedicated, and altruistic members who are involved because they want to use their many talents to serve you, our members. I would like to continue this service to fulfill the membership's expectations to ensure quality of service, maintain fiscal safety, and soundness, and to assist them in meeting their financial goals.

Ms. Eileen Patton

Appointed 2023 | Member since 1991

I have been a member of the Forrit Credit Union for more than 20 years. I was delighted to join the Board of Directors this year; I have appreciated Forrit's competence for many years.

As an engineer, I worked for Boeing on the Saturn V moon flight, Northrop on the Space Shuttle, and Westinghouse Defense Electronics on airborne radar and defense systems. I taught in various capacities at the University of Alabama in Huntsville, Ohio State University, and North Carolina State University. I spent 20 years at the Oregon Department of Transportation, managing various engineering groups.

I managed the legislative budget for the ODOT Highway Division for a budget cycle. I taught the Division managers how to budget and wrote a "how to" budgeting manual.

My volunteer service includes: Board member for three professional societies, Board member and President of a purebred sheep registry, and Washington County Planning Commission member.

I am committed to the credit union philosophy and would appreciate the opportunity to help Forrit continue its success.
